QVSCL EDGE

QVSCL
Trusted Partner for Capital Growth

Our Approach, A Detailed Narrative

PEOPLE: The Foundation of Our Success

Our people are our greatest strength. Whether it's our employees, clients, or partners, we believe in fostering a culture of empowerment, collaboration, and growth. We invest in leadership development, continuous learning, and an inclusive work environment that nurtures talent and drives innovation. By building strong relationships and promoting a culture of trust and respect, we create an ecosystem where people can thrive and contribute meaningfully.

PURPOSE: Impact Beyond Business

A business that operates with purpose creates lasting impact. At QVSCL, we go beyond financial success to drive meaningful change through sustainability, ethical governance, and responsible business practices. Our commitment to ESG principles, decarbonization strategies, and sustainable supply chains ensures that our clients not only meet regulatory and stakeholder expectations but also contribute to a better future.

PERFORMANCE: Excellence as a Standard

Sustained success comes from a commitment to excellence. We embrace agility, data-driven decision-making, and advanced analytics to help businesses enhance efficiency, mitigate risks, and adapt to changing market dynamics. Our focus on digital transformation, operational excellence, and governance ensures that organizations remain resilient and competitive. By continuously optimizing strategies and processes, we enable our clients to achieve breakthrough performance.

PROFITS: Sustainable and Strategic Growth

Profitability is a key indicator of success, but it must be balanced with long-term value creation. We optimize financial performance through strategic investment, cost efficiency, and risk management while ensuring businesses remain future-ready. Our expertise in corporate finance, business transformation, and ESG-driven investing enables organizations to maximize returns while aligning with sustainable growth objectives.

PRIVATE EQUITY

QVSCL

01.

At QVSCL, in our Private Equity advisory services we help high potential companies in raising equity capital from seed , Pre-Series A , Series A, Series B , Series C , Series D - till Pre- IPO bridge Funding.

02.

We help high growth companies in raising capital from Private Equity Firms , Venture Capitalists, Family Offices , HNI's , UHNI's and Alternative Investment Funds.

03.

QVSCL works with private equity clients across the full investment lifecycle—from identifying opportunities and conducting due diligence to enhancing portfolio value and planning successful exits.

04.

We support businesses by assessing market potential, designing scalable business models, and aligning capital structure with long-term growth strategies.

05.

QVSCL plays a critical role in exit planning, structuring and executing exit strategies such as IPOs, secondary sales, or strategic acquisitions to maximize returns and ensure business continuity.

CORPORATE FINANCE

QVSCL
Trusted Partner for Capital Growth

QVSCL offers expert debt syndication services by arranging large-scale funding through a network of banks, financial institutions, and private investors

Customized loan structures include tailored interest rates, repayment schedules, and financial covenants

We act as lead arrangers—structuring the loan, negotiating favorable terms, and distributing risk among multiple lenders to suit high-value or complex financing needs

Supports multiple financial services including Working Capital Finance, Import-Export Finance, Construction Finance, Project Finance, Global Finance, and Supply Chain Finance

Suitable for mergers, acquisitions, business expansions, infrastructure development, and refinancing existing debt

Enables access to domestic and international debt sources

Ensures end-to-end advisory support, from financial planning to post-disbursement compliance and monitoring

MERGERS & ACQUISITIONS (M&A)

QVSCL
Trusted Partner for Capital Growth

01.

M&A includes mergers, where two companies combine to form a new entity, and acquisitions, where one company takes control of another. These transactions serve as catalysts for business transformation, enabling companies to expand markets, optimize operations, and enhance competitive positioning.

02.

QVSCL provides full-spectrum support across the M&A lifecycle, including target identification, due diligence, valuation, deal structuring, regulatory compliance, and post-merger integration.

03.

We collaborate closely with leadership teams, investors, and boards to evaluate strategic fit, uncover potential risks, and ensure alignment among all stakeholders.

04.

In addition to mergers and acquisitions, we also advise on strategic sale, acquisition of target companies, divestitures, spin-offs, and joint ventures—helping businesses streamline portfolios, enhance agility, and pursue collaborative growth opportunities.

05.

We advise on leveraged and management buyouts, helping investors acquire controlling stakes in companies through a mix of debt and equity. These deals typically target mature businesses with stable cash flows and strong fundamentals.

ACQUISITION & INFRASTRUCTURE FINANCING

QVSCL
Trusted Partner for Capital Growth

Acquisition finance involves raising capital through a combination of equity, debt, and mezzanine financing to fund mergers or acquisitions.

Structuring the optimal funding blend is essential to minimize the cost of capital while maintaining financial flexibility and strategic control.

Our acquisition finance solutions are tailored to meet the specific requirements of each transaction, whether it involves a corporate expansion, private equity buyout, or competitive acquisition.

QVSCL maintains strong relationships with banks, NBFCs, private credit institutions, and institutional investors, enabling us to connect clients with suitable financing partners.

In addition to sourcing funds, we support clients with deal evaluation, financial modeling, and negotiation with lenders to secure favorable terms.

We stay involved through financial closure, ensuring that funding structures align with long-term strategic objectives and that transactions proceed seamlessly.

BOARD ADVISORY

QVSCL
Trusted Partner for Capital Growth

Strong governance is foundational to any organization's success, and we help boards align leadership decisions with long-term goals in an ever-evolving business environment.

We specialize in succession planning, ensuring seamless leadership transitions and maintaining business continuity by preparing a pipeline of future-ready leaders.

Our team assists boards in stakeholder engagement, building trust with shareholders, employees, and communities through clear communication and aligned governance.

Board Composition & Board Process
QVSCL supports board composition on shareholding agreements and needs of the business.

Transparency & Disclosure
QVSCL helps in best practices for governance, board independence and running of sub-committees of the board.

Workplace Innovation
Showing best practices on competence survival and innovation.

STRATEGY CONSULTING

QVSCL
Trusted Partner for Capital Growth

We support leadership teams with collaborative, insight-driven consulting that enables confident decision-making, strategic resource alignment, and enterprise value creation.

We help define both corporate-level and business-unit strategies, ensuring operational alignment and consistent execution across the organization.

By conducting deep, data-backed strategic analysis, we assess internal capabilities and external market conditions to chart the most effective path forward.

Key focus areas include strategic planning, market entry, business model innovation, transformation planning, and performance improvement.

Whether clients aim to enter new markets, restructure operations, tackle competitive threats, or lead transformation, we deliver practical, results-oriented strategies.

Our consultants collaborate closely with executive leadership to ensure strategies align with the organization's mission, values, and stakeholder expectations.

Our work blends long-term vision with near-term execution, ensuring that strategies are not only aspirational but also measurable and actionable.

Beyond strategic design, we help ensure successful execution, offering hands-on guidance and insight throughout the process.

INFORMATION TECHNOLOGY SUPPORT

QVSCL
Trusted Partner for Capital Growth

Advanced Analytics

Advanced Analytics is a Transformative Approach that leverages sophisticated techniques and tools to analyze data, providing deeper insights and driving better decision-making. By utilizing methods such as predictive modeling, machine learning, and data mining, advanced analytics allows businesses to uncover hidden patterns, predict future trends, and gain a competitive edge.

Unlock the power with AI

Unlock the power of AI and transform your business. Artificial Intelligence is more than a technological advancement; it's a game-changer. By harnessing AI, you can streamline operations, enhance decision-making, and drive innovation.

Data Science

- ✓ Business Intelligence Dashboards KRAs/KRIs/KPIs
- ✓ Audit data analytics to support data driven audits
- ✓ Predictive data analytics to predict business decisions based on existing data trends

HR Dashboard

- ✓ The HR dashboard for IT Support tracks essential metrics such as headcount, attrition, SLA compliance, average ticket resolution time, and first-contact resolution.
- ✓ It also monitors employee engagement, absenteeism, training completion, and certification status—providing a clear view of team performance, capacity, and development.

DUE DILIGENCE

QVSCL
Trusted Partner for Capital Growth

01. Our process is structured and methodical, delivering a full evaluation of a target company before the transaction is finalized, ensuring that decisions are confident, informed, and well-calibrated.

02. Our financial analysis involves in-depth review of statements, forecasts, earnings quality, working capital needs, and debt structure to evaluate the true financial health of the business.

03. We review legal contracts, governance documentation, compliance records, intellectual property, and litigation exposure to help uncover potential legal risks and reduce liability.

04. We assess the business model, operational systems, organizational structure, market positioning, and IT infrastructure to identify efficiency gaps, synergies, and hidden risks.

05. Our tax reviews examine compliance history, reporting accuracy, liabilities, and potential risks, while also uncovering structuring opportunities that enhance post-transaction outcomes.

06. Our due diligence process is designed not only to validate the transaction but also to flag red flags early, enhance negotiating leverage, and pave the way for smooth post-deal integration.
